COS-MS-100 Manicure Table - ASSEMBLY INSTRUCTIONS

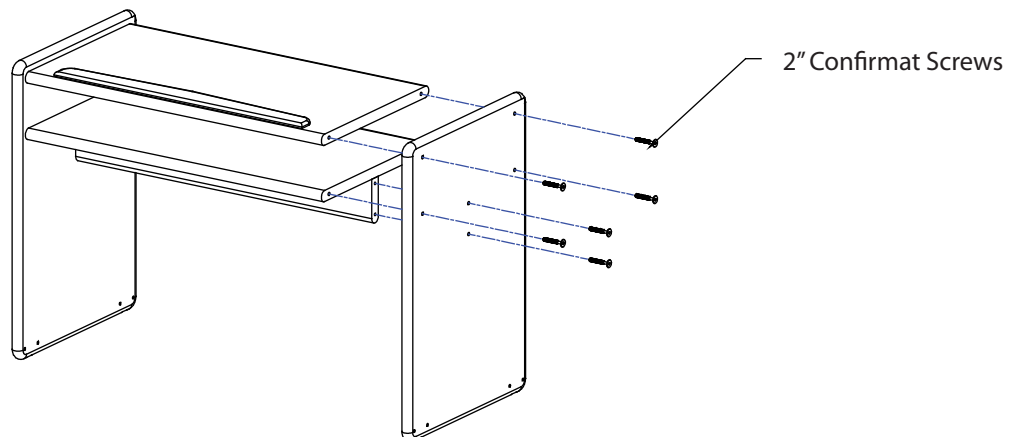

STEP 1

Attach vinyl wrist rest top top of work surface as shown.
Skip this step if armrest came pre-installed.

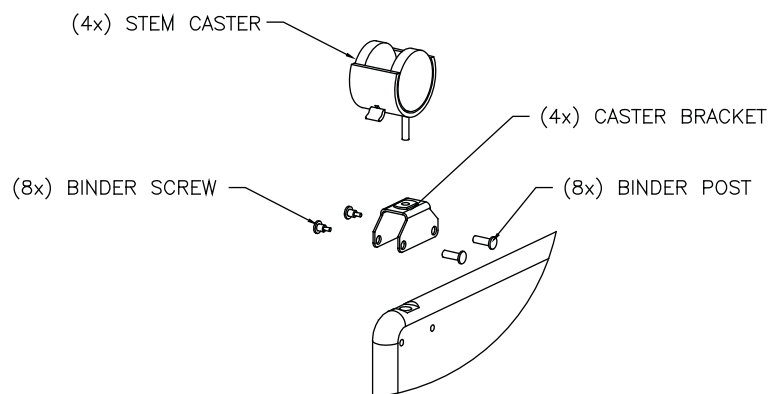

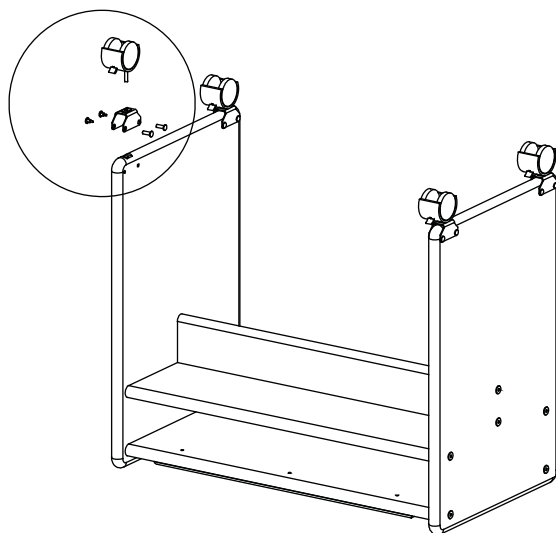

STEP 2

Assemble legs to top, lower shelf, and center support brace as shown.

STEP 3

Turn the table upside down and assemble the caster brackets and casters.

STEP 4

Turn the table right side up.

Care and Cleaning:

Do not overload tables. Maximum weight is 125 lbs.
Do not spill excessive amounts of liquids.
Avoid prolonged exposure of harsh chemicals on laminate.
Clean surfaces with mild detergent.
