

AC Series Workstation

AC - Single Level Workstation

AC - Bi-Level Workstation

AC - Ins "L" Shaped Workstation

*Furniture shown with optional accessories

The AC series workstation is designed for use in the lab and classroom. Sturdy construction features a 16 gauge all welded tubular steel leg assembly with leveling glides. A lower rear modesty panel features an integrated wire management tray with cable straps to keep everything in place. Laminate work surfaces feature a 1/4" thick high pressure laminated MDF core with our Polyurea spray applied Armor Edging. All tops feature a balance backer sheet. See color chart for standard and available color options. (1) 3/4" round hole grommet access for tables up to 48"W. Tables 48"W and above have (2). Height dimension is to bottom of work surface, for overall working height add 1/4" for thickness of top.

The bi-level work station provides a lower platform for the keyboard and mouse. The front work surface depth is 12"d and 18"d for the rear work surface. Optional keyboard and mouse storage pocket allows the lower work surface to be cleared and uses as an additional work space.

AC - Single Level Workstation

Model Number	Size D x W	Std. Height
AC-3036-1	30" x 36"	28"
