Fixed Height Workstation

Adjustable Height Workstation

Our standard PC in-line computer workstations are a perfect choice for computer labs and stand alone work stations. The PC Series is packed with features, such as all welded leg assemblies from heavy gauge tubular steel, lower rear modesty panels, and 4" x 4" full station width wire management trays. Laminate work surfaces feature a 1¼" thick high pressure laminated MDF core with our durable Polyurea spray applied Armor Edging. All tops feature a balance backer sheet. See color chart for standard and available color options. Work surfaces feature (1) 3¼" round hole grommet access for tables up to 48"W. Tables 48" and above have (2). Available in standard 28"H desk and 34"H lab heights. Adjustable height models adjust from 24"H to 34"H. Height dimension listed is to bottom of work surface, for overall working height add 1¼" for thickness of top.
